## Village Green War Memorial

The Parish Council are leading on a project to put the names of fallen soldiers on the War Memorial on the Village Green. A working group comprising of members of the community has been established to carry the project forward. Our starting point in compiling a list of names was the list of 99 names read out at the Remembrance Service. In addition we have identified a further 28 names from war memorials in the Parish and from the community. It is important that the names included are correct and accurate. This is the final consultation on the list of names before we commission the new plaques. If you have a relative or know of someone from Lanchester Parish who died in WW1, WW2 or later conflicts and they are not on the present list of names or you think there is a spelling mistake of a name, please contact the Clerk on 01207 520146 by 20 August 2018.
